

# MARCH x TOPS

**Claudia Keep**  
**MARCH x Tops Gallery**  
**NADA Miami**  
**December 1–5, 2021**

MARCH and Tops Gallery are pleased to announce our co-participation in NADA Miami with Claudia Keep. Featuring a selection of recent oil paintings, the presentation will be on view from December 1–5, 2021 at Ice Palace Studios in Miami, Florida.

Claudia Keep's (b. 1993) paintings reveal the intimate complexity of quotidian moments. Composed of soft lines and shapes, they convey impressions of the ordinary that are curiously lucid. Working from both life and personal photographs, Keep illuminates the intricacies of simple scenes: light falling in a quiet room, the shapes that a modest object casts onto the sidewalk, infinite beads of water resting in a spiderweb. This record of detail rescues the humblest of beauty from invisibility, by its nature an invitation to look more closely.

Claudia Keep was born in 1993 in Low Moor, Virginia. Her solo exhibitions include *Claudia Keep* at Tops Gallery, *Night Moves* at MARCH, *John's Friends* at Galerie Ulysses (Vienna, Austria) and *A Day in Maine* at the University of Kentucky Medical Center Gallery (Lexington, Kentucky) in 2019. Keep has also exhibited with The Painting Center (New York, NY), Auxier Kline (New York, NY) and Ablebaker Contemporary (Portland, ME). She has been represented by MARCH since 2020.
